

## HELPING YOU SUCCEED WITH SPECIALIZED EXPERTISE

Years of experience providing insurance to Service Contractors and Operators in the Oil & Gas Industry shows that many of the typical insurance policies do not provide proper protection.

GAS Energy Solutions has an experienced team dedicated specifically to the Oil & Gas Industry. Our Team works solely on evaluating the risk of each client and making sure they receive the necessary coverages to protect them from the possibility of catastrophic financial crisis, to the everyday incidental exposures. GAS Energy Solutions, we know our clients work hard every single day and we focus on building strong business relationships and providing the highest quality program services tailored to the Oil & Gas Industry.

## COVERAGES

-  **GENERAL LIABILITY** Innovative and detailed coverages protecting your people, property, and equipment-including time element pollution
-  **INLAND MARINE** Uniquely designed protections covering your specific range of equipment and product needs. Now with recently expanded coverages and limits
-  **COMMERCIAL AUTO** We work closely with you to ensure complete protection of your employees and entire fleet in all states
-  **UMBRELLA** An extra layer of liability coverage to provide peace of mind and protection
-  **PROPERTY** Unique and customized property insurance policies
-  **CRIME** Protection from dishonesty, forgery, fraud, theft, destruction and more
-  **WORKERS' COMPENSATION** Your most important assets are your employees, make sure you protect them, and your company, in all states
